**MINUTES :** No prior called meeting minutes.

**OLD BUSINESS:**

**NEW BUSINESS:**

- The County Attorney, Joel Sherlock, provided the Board & Council with information regarding the upcoming T-SPLOST schedule, revisions to the previous projections, and reviewed the various resolutions and agreements that will need to be executed. Specifically, the County Attorney shared that the T-SPLOST will go on the November election ballot and if it is not passed, the County will have to wait one year before seeking an additional T-SPLOST. The County Attorney further advised the Board & Council that the initial calculations from Raymond James only accounted for five years of taxable revenue; the statute provides that the T-SPLOST will continue for six (6) calendar years, provided both the City and the County are participating. The revenue will begin on April 1, 2026, and continue for six (6) calendar years, ending on March 31, 2032. These revised projections will result in additional funds being generated because the previous calculation was based on five years, rather than six years. Finally, the County Attorney reviewed the Intergovernmental Agreement, the exhibit listing the road projects for both the City and the County, the Resolution, the Notice of Election and the form of the Referendum that will be presented to the voters in November.

With no further business a motion was made by Brant Bailey to adjourn, a second was made by Josh Patterson at 9:36 am. The vote was unanimous.
